2026 Open Studios - Botetourt Tour
Saturday, October 17, 10AM-5PM
Sunday, October 18, 11AM-5PM

Welcome to scenic Botetourt County, Virginia, home of many of the Valley's leading artists. This October, our artists and guest artists offer their work and creativity in this free, self guided driving tour of working artists' studios, workshops and homes.

Drive from location to location throughout the county while admiring the fall foliage. Look for the Open Studios - Botetourt signs along your way to help guide you in the right direction.

This year, Open Studios Botetourt has added Botetourt County Historical Society Museum as part of our tour. We're excited to share our area's history along with unique artworks from all of our artists.

In addition, the museum, currently located along Main Street in Fincastle, will be hosting artist Chelsea Dudley for her first time on the tour.

Construction on the Fincastle Courthouse is in its early stages; part of the initial preparation for the Courthouse Square renovation, is to relocate to a replica of the original museum building. The museum's first home consisted of the original Breckinridge Law Office that dates to the 1790s, and later, part of the Western Hotel complex.

Along with visiting Chelsea, please be sure to check out the exhibits and museum shop.

Visit us online at openstudiosbotetourt.com for artist biographies, and locations for this year's tour.

*Drawing to be held at the final artist's meeting after the conclusion of the tour. The winner will be notified at that time.
